Sibshops acknowledge that being the **brother or sister of a person with special needs** is for some a good thing, others a not-so-good thing, and for many, somewhere in-between. They reflect a belief that brothers and sisters have much to offer one another — if they are given a chance. Sibshops are a spirited mix of new games (designed to be unique, off-beat, and appealing to a wide ability range), new friends, and discussion activities.

Good Friend's power words are **Awareness, Acceptance** and **Empathy!** We teach peers in schools to be good friends to someone with autism (and other brain-based disabilities). Now it's time to be good friends to the siblings! By educating, supporting and fostering friendships, we hope to help them in their lifelong journey as a Super Sibling!

Thanks in part to a generous grant from **Variety - the children's charity**, Good Friend offers our eighth season of Sibshops for children age 8-13 at **The Offsite Collaboration Center, 4235 N. 124th St., Brookfield**. To keep all participants safe during the COVID-19 pandemic, we will be pre-screening children in the parking lot before entry, physically-distancing inside the facility, and requiring everyone to mask up when not eating or drinking. A maximum of 15 children will be permitted into each event.

2020-'21 season dates are monthly on **Saturday mornings from 9 a.m. to noon:**
Sept. 12, Oct. 3, Nov. 7, Dec. 5, Jan. 9, Feb. 6, Mar. 13, and May 1
