Registration Now Open for 16th Annual GFAC Benefit Golf Outing

Fundraiser will benefit Good Friend, Inc., and the Leukemia & Lymphoma Society.

WAUKESHA — Registration is now open for the 16th annual **GFAC Benefit Golf Outing**, a fundraiser for **Good Friend, Inc. (GFI)** and the **Leukemia and Lymphoma Society-Wisconsin Chapter**. The event will be held on **Friday, August 20**, at **Ironwood Golf Course** in Sussex with golfing and post-golfing evening activities.

Each golfer registered will receive 18 holes of golf with a cart (one per foursome), lunch, one drink on the course, free beer (while supplies last), and dinner. Activity bracelets are available to purchase to provide golfers with additional opportunities. Golfers can register as individuals or as a foursome; single golfers will be paired up with others to make foursomes.

Those not golfing but wishing to attend can register for the evening activities that include post-golf cocktail hour, heavy appetizers, and an on-site raffle.

Sponsorships of the event are still available -- contact denise@goodfriendinc.com for more information on how to be a part of this event.

For the most up-to-date information on the event, join the [GFAC Facebook page](#).

Payments are non-refundable. The entire amount, minus the value of an Ironwood golf voucher for those who planned to golf, will be a charitable donation in case of event disruption.

About ActionCOACH of Wisconsin

Todd Ruedt, owner of [ActionCOACH of Wisconsin](#), doing business in Brookfield and Neenah, brings over 14 years of business coaching, education, and training experience to his clients. As a serial entrepreneur with experience in owning and operating a variety of businesses, from landscape companies to non-profits, Todd is an expert in assisting business owners envision and obtain their dreams.

About Leukemia & Lymphoma Society

The [Leukemia & Lymphoma Society \(LLS\)](#) is at the forefront of the fight to cure cancer. LLS is the largest nonprofit dedicated to creating a world without blood cancers. Since 1949, they've invested nearly \$1.3 billion in groundbreaking research, pioneering many of today's most innovative approaches.

About Good Friend, Inc.

Autism is a developmental disorder which is now diagnosed at a rate of 1 in 54 children, and is prevalent in 2.2 percent of adults in the U.S. (Centers for Disease Control and Prevention, 2020). Since 2007, GFI has conducted services for students and professionals, explaining autism in age-appropriate, user-friendly terminology using positive, interactive tools to help others "step into the shoes" of someone on the spectrum. To date, the nonprofit has reached more than 54,000 people with its message of autism awareness, acceptance, and empathy. For more information, visit goodfriendinc.com.
